

ESTETICA DOMESTICA

LE ARTI DELLA CASA 1920-1970

Jean Bernard Hebey with the collaboration of A. Mesnard

Archival research by J. L'Hostis

Photographs by C. Filioux

“This book is a joy, thanks in part to the sumptuous photography of Christophe Filioux, which lovingly details some 400 treasures, from kettles, ice crushers, blenders, juicers, coffee makers and food processors to hand beaters, cocktail shakers, toasters, and fans.” – *Evening Standard*.

This sleek and elegant work dedicated to vintage household objects from the Jean Bernard Hebey Collection elevates everyday appliances to the status of art.

Jean Bernard Hebey, broadcaster and rock music specialist, is a collector of housewares. His collection numbers more than 3000 objects.
