## FRANGI. NOBU AT ELBA

*Giovanni Agosti and Giovanni Frangi*

*Nobu at Elba* is a work by Giovanni Frangi made up of four huge painted canvases and around twenty foam rubber sculptures. It was displayed from February 15 to March 21, 2004 in the main stables of Villa Menafoglio Litta Panza-FAI in Biumo (Varese). The exhibition catalogue is divided into two volumes: an illustrated journal of the project and reproductions of the work exhibited.
